Australia's Capt Richard Woodward elected EVP Technical Standards

Dubrovnik 20 March: In a three way contest, Capt Richard Woodward was elected as the Federation's Executive Vice President Technical Standards. Capt. Woodward is a past Chairman of Aus ALPA as well as a former Vice Chairman of the IFALPA Aircraft Design and Operation Committee and member of the Federation's Aerodrome and Ground Environment Committee. Capt Woodward flies the A330 for Qantas and is a CASA Approved Test Pilot and a member of the Flight Test Society of Australia.

Notes to Editors

The International Federation of Air Line Pilots' Associations represents in excess of 100,000 pilots in more than 95 countries world-wide. The mission of IFALPA is to be the global voice of airline pilots, promoting the highest level of aviation safety and security world-wide and providing services, support and representation to all of its Member Associations. See the Federation website www.ifalpa.org
