

## **Captain Al Gaspari**

### **Chairman of the Associations of Star Alliance Pilots at ASAP**

Captain Al Gaspari is the Executive Board Chairman of the Associations of Star Alliance Pilots (ASAP) and a member of the United Airlines, Alliance & Scope Oversight Committee (ALPA). He has 25 years of professional pilot experience having flown for three airlines.

Currently he is flying for United Airlines as Captain on the Boeing 737 based in Los Angeles, California, USA. Gaspari recently served as elected Vice-Chairman of ALPA Council 57 (Los Angeles) for a term of three years. Concurrently, he was a member of the United Airlines Master Executive Council and MEC Sub-Committee Chairman. In addition to these leadership positions, he has served as Grievance Committee Chairman (LAX), Local Scheduling Committee, and ALPA Int'l Central Air Safety Committee/Air Safety Committee (America West Airlines).

His ALPA volunteer involvement began in early 1995 as the first Secretary/Treasurer (LAX) at Mesa Airlines. In his ALPA volunteer role, he has received a special recognition for the KSNA Class C Airspace Re-Design, participated in ALPA's Basic Accident Investigation Seminar, and ALPA's sponsored Legislative Summit.

While employed by United, he was furloughed following United's bankruptcy and flew for regional carrier SkyWest Airlines. He recently celebrated his 17 years of service with United Airlines and 22 years as an ALPA volunteer. Captain Gaspari holds Type Ratings on the Boeing 787, 767, 757, 737, Airbus 320, Embraer 120, Beechcraft King Air 1900 and 300/350.
