*Cockpit Crews trust on signals calibrated and released for operational use by  
Air Traffic Safety Electronics Personnel*

## About IFATSEA

IFATSEA is the authoritative voice on the competence of Air Traffic Safety Electronics Personnel (ATSEP). Using our strong global network, we actively contribute to the improvement of air traffic safety performance.

*Air Traffic Controller trust on systems calibrated and released for operational use  
by Air Traffic Safety Electronics Personnel*

## The Objects of IFATSEA

- To operate as a non-political Federation of Air Traffic Safety Electronics Associations.
- To promote safety, efficiency and regularity in International Air Navigation.
- To assist and advise in the development of electronics systems in order to maintain the safe, orderly and expeditious flow of air traffic.
- To uphold a high standard of knowledge and professional efficiency among Air Traffic Safety Electronics Personnel.
- To protect and safeguard the collective professional interests of Air Traffic Safety Electronics Personnel and other professions in civil aviation.
- To make mutual benefit affiliations with other professional organizations.

*“We Certify Air Traffic Safety”*

**According to the ICAO definition, ATSEP (Air Traffic Safety Electronic Personnel) are responsible for operational air traffic control systems and functions.**

### **Definition ICAO:**

**ATSEP are the authorized personnel who are proven competent to install, operate, maintain, release and return into operations CNS/ATM systems.**

## IFATSEA

- ICAO recognizes IFATSEA as an observer. Working Together with Subject Matter Experts, IFATSEA supported ICAO to develop the Manual on Air Traffic Safety Electronics Personnel Competency-based Training and Assessment adopted as ICAO Doc 10057. IFATSEA contributes to the work of the SESAR Joint Undertaking, defining the future technology platform for the Single European Sky. IFATSEA is participating to the EASA rulemaking activities related to ATSEP and their competency.
- IFATSEA maintains working relationships with the ATM staff trade union organizations European Transport Workers' Federation (ETF) and International Transport Workers' Federation (ITF). IFATSEA also collaborates with the global federations for other Aviation Professional Staff – IFAIMA, IFALPA, IFATCA and IFISA.
