

Global Pilots on Korean Air A330 Runway Excursion in Cebu

MONTREAL - The International Federation of Air Line Pilots' Associations (IFALPA) is monitoring developments related to yesterday's runway excursion at Mactan-Cebu International Airport (CEB), Philippines, by a Korean Air Airbus A330 arriving from Seoul.

While the investigation is taking place, IFALPA stresses the need to avoid speculation as to the contributing factors of this accident. The Federation has reached out to its Member Association in the Republic of Korea, ALPA-K, and will offer the expertise of its local Accredited Accident Investigators to the relevant Investigation Authorities to help gather facts and pertinent safety and security information.

Note to Editors:

The International Federation of Air Line Pilots' Associations represents more than 100,000 pilots in nearly 100 countries. The mission of IFALPA is to promote the highest level of aviation safety worldwide and to be the global advocate of the piloting profession, providing representation, services, and support to both our members and the aviation industry.
